Dear Judge Seubble or to whom
it may concern.

In the year 2014 I, have filed a ~~1983~~⁹
against prison officials in Wisconsin. The
civil complaint was filed in the western
district the judge presiding over the
case is Judge William M. Conley.

This judge Dismissed my ~~etired~~
case without a chance to amend my
complaint all because the defendants
refused to allowed me to exhaust my

Administrative Remedies. I cited Case law that if defendants interfered with a inmate exhaustion then its not an appropriate remedy. This Judge refused to obey the law the only law he will obey is the one he cite. He, even informed me that WCI don't have to allowed me to exhaust and then they can use this type of action against me to have my case dismiss. Well I, may be to late to

Appeal the ordered was enter 12/10/14 Case No. 13-CV-600-WMC. This judge refused to obey Wisconsin State Statute and there procedure. The only law that matter is his. He, did allowed me to plea my eighth Amendment against defendants depriving me of exercise for approximately 4 month. He, continue to cited the Seven Circuit Case on the issue but §DOC 309.36 that the defendants "shall" provide me with exercise 4 hour per week.

This judge is a very big problem for me. And he's not the only one. The Law Librarian refused to send me a copy of my civil complaint to meet the court deadline, as well other forms. I may have to appeal and this is one reason I'm writing to you. Can you please send me every thing I need to appeal my lawsuit in your district. Information, forms, notice of appeal, and affidavit of indigent.

Because I'm dead in the water. I have been in Seg. T.L.U. for over 23-days with extension of time and I don't have no help accept complaints and they are not allowing me to exhaust my administrative remedy. I don't have any funds but, whatever you can do for me and whatever help that you can extend to me it will be appreciated.

Sincerely your
Cornell Smith
